## SECOND RESPONSE TO NOTICE OF INCOMPLETE REPLY

Commissioner of Patents  
and Trademarks  
Washington, D.C. 20231

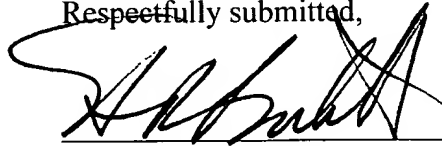

Dear Sir:

Applicant filed a response March 20, 2002 in response to a Notice of Incomplete Reply. In that Response Applicants submitted replacement drawings. In a related case, Applicant responded to receipt of a Request for Substitute Papers issued in that application, to replace papers destroyed in the mails. In responding to that request, Applicant has now procured better quality copies of fourteen sheets of the drawings (Figures 1 through Figure 5J) of the drawings which also appear in the present application. Applicant forwards these copies to the Patent Office to be substituted for the corresponding copies of Figures 1 through 5J (14 sheets) previously submitted. At the time of the original Patent Office request, Applicant did not have any remaining good quality copies of the drawings now being submitted.

Applicants are submitting these copies via Express Mail reply to Box No Fee Amendment, with the request that they be forwarded to the appropriate examining group if the case has been advanced.

If the Examiner feels that a telephone conference with Applicant's attorney would advance the prosecution of the application, he is invited to call the undersigned at 901-537-1108.

Respectfully submitted,
